Winter Season Recap

From frosty days to some indoor fun, goals were scored and friendships became one.

Dedicated coaches who shared a word of the day, always learned a skill and had a fun day. As the winter season draws to a close, the echoes of cheers and laughter grow. Eagerly awaiting the warmth of the sun, we reflect on winter and prepare for spring season to run!

Soccer Shots & Leveling the Playing Field

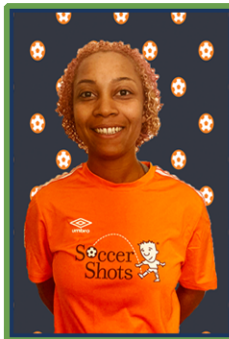

We had a blast helping the community alongside our friends at the U.S. Soccer Foundation! Together we held a day of service at Leveling the Playing Field, Inc., by sorting sports equipment for teams, organizations, and schools in need. We can't wait to come back and help!

Rock Star Coaches

This winter these coaches were recognized as embodying the essence of a rock star Soccer Shots coach!
